

Getting started with your OpenSports and SCKC Membership

FIRST STEP – Setting up OpenSports

Go to <https://OpenSports.net/SCKC>

- (1) Tap the “Join” button.
- (2) Sign up using FaceBook, Apple or enter your email address (email address is recommended because it is most flexible and allows email notifications most easily). Once you sign up and create an OpenSports account, you will want to use this same method EVERY time you login to avoid making a duplicate account. If you sign in using a different method, you will create a duplicate account with OpenSports.
- (3) Fill in your name, birthday and gender.
- (4) Check agree with terms of use and I am not a robot boxes.
- (5) You will see a “Verify Your Email” page. Check your email for a verification from OpenSports. Click the green “Verify Account” button.
- (6) This “Verify Account” button will take you to a page that says, “Join Spokane Canoe and Kayak Club to get invites to their events and receive important announcements”. Click “Join Group”.

You will now see a window that says “Congrats!” because you have now created an OpenSports account and have joined the associated Spokane Canoe and Kayak Club group within OpenSports. From here you can ignore the “invite friends” button and you can click “X” to leave this window and view the SCKC group and our upcoming events.

If you'd like, you can download the OpenSports app on your phone. If you choose to use the app, it will step you through a few questions for setup and then you'll be set. If you choose not to get the app, go back to <https://OpenSports.net/SCKC> and login to view and join events. Congratulations, you now have an OpenSports Account!

SECOND STEP - Paying for a Spokane Canoe and Kayak Club Membership:

If using the app:

- (5) You will be given the choice for recurring regular membership or one-time regular membership. (There is also a choice for youth and one for our lifetime members).
- (6) Click the appropriate membership choice, follow the instructions and pay for a membership (one year starting on date of payment). Credit card, Apple Pay and Google Pay through OpenSports are the payment choices at this time.

If using the web, not using the app:

- (1) Log into <https://OpenSports.net/SCKC>.
- (2) From the horizontal menu in the SCKC group, click on the “Memberships” tab.
- (3) Under “Buy Memberships”, you will be given the choice for recurring regular membership or one-time regular membership. (There is also a choice for youth and one for our lifetime members).
- (4) Click the appropriate membership choice, follow the instructions and pay for a membership (one year starting on date of payment). Credit card, Apple Pay and Google Pay through OpenSports are the payment choices at this time.

Congratulations! In addition to your OpenSports account and being part of the SCKC group, you also have a one-year paid membership! These dues will help support our club activities and help us provide classes and events. Thank You.
